

Medical Form/Physical

As a preschool, we are required to submit a medical record for each child in our care including a vaccination record. If your child has had their physical within the last year, you should be able to mail/fax this form to your physician to be filled out and picked up. If it's time for your child to HAVE a check-up, please schedule that now and take the medical form with you to the appointment. If you are able to email your physician's office, the form is available for download from our website at TLCinWalden.com/Preschool/Forms.

The form can be returned at any time- (Thank you to those returning parents who have *already* returned them!) but **no later than** October 30.

If a photo is used, we will follow the guidelines below.
