

From the Director of Missions

Through the prophet Isaiah the Lord spoke to His people about doing a new thing. God is always at work doing new things in our lives. As followers of Christ we need to be sensitive to His leading when it comes to those new things He has in store for us. As we begin a new year, may we look forward with anticipation to the new things God wants to do in us and through us in 2024! God has great plans for your life and He has great plans for this upcoming year for you, your family, and your church family. Isn't it so exciting to simply be a small part of what our Big God is doing?

I can't wait to see what new things God will do in you and through you for His glory in 2024! Keep looking to Him and He will guide you into the new things He has in store for you.

Blessings,
Michael
