

From the Director of Missions

At the end of Exodus 2 we find a powerful verse of Scripture. Exodus 2 begins with Moses' birth and Exodus 3 begins with Moses' calling. At the end of Exodus 2 we see God's people crying out to the Lord for rescue. Exodus 2:25 tells us that God saw the people of Israel and God knew. Just as God saw the people of Israel and knew, He sees us today and He knows. Dear child of God, He sees what you are going through and He knows. He knows, He loves, He cares, and He has a plan for you. Sometimes life has a way of making us wonder if God even sees us but Scripture reminds us that He sees and knows. Whatever you may be facing today, remember that God sees and God knows. Cast all your cares on Him today. He cares for you!

Blessings,
Michael
