NORTH SPARTAN NOTES APRIL 2024

From the Director of Missions

The tomb is still empty! May we be reminded of this reality now that Easter Sunday has passed. Often we are tempted to move on to what is next on the calendar but the reality of the Resurrection is something that should impact our lives each and every day. We serve a Risen Savior whose power is beyond our comprehension and that power is available to us as we seek to live our lives for Him. How would your life look if you lived in the power of the Resurrection? How would the life of your family look if you lived in the power of the Resurrection? How would the life of your church look if you lived in the power of the Resurrection? Let's live in that power, not just at Easter, but all the year through!

Blessings,
Michael
