

From the Director of Missions

The temperature is rising and summer time is here! Summer is an exciting time in the lives of our churches here at NSBA. Vacation Bible School, Mission Trips, Youth and Children's Camps, and many other activities fill the calendars of our local churches. As we think about all that is about to happen in the lives of our churches this summer the most important ingredient in everything we do is the ingredient of prayer. All of the good things that will happen this summer will happen because we have prayed for God to work in a mighty way as only He can. Prayer changes things, not just for our summer activities, but for all of life. Prayer is the most important ingredient for all of the things we do in our lives. Will you make the summer of 2024 a summer of prayer? God has great things in store for this summer so let's pray for Him to work and move!

Blessings,
Michael
