

From the Director of Missions

It's the month when we celebrate the freedoms that we enjoy here in the United States of America. We know that the freedoms we have were bought with a high price. Many brave men and women have given, and continue to give, their lives to secure and defend our freedoms and we must never take this for granted. Just as a high price was paid for our freedom as Americans an even higher price was paid for the true freedom we have as followers of Jesus Christ. Christ loved us so much that He gave His life for us so that we could be free from the penalty of our sin. He gave His life so that we could be truly free. It is with gratitude in our hearts that we give thanks for the freedoms we have in our nation and the ultimate freedom that we have in our Lord and Savior Jesus Christ!

Blessings,
Michael
