

From the Director of Missions

The changing of the seasons, even when it seems to go back and forth like it often does where we live, reminds us that things in this world are always changing. Sometimes when the pace of change escalates it can easily seem like things are out of control. We can sometimes feel as though we are completely overwhelmed by what is happening around us. When those times of change overwhelm us it is great to know that we can look to the One who is unchanging. The Bible reminds us that Jesus is the same yesterday, today, and forever. The Bible reminds us that God is our Rock, Fortress, Refuge, Strength, Deliverer and Firm Foundation. He is the Alpha and Omega, Everlasting, and Unchanging. With God nothing has ever been, or will ever be, out of control. When life changes in a hurry and we are heading toward a feeling of being overwhelmed may we look to the Lord and realize that even when things are out of our control they are never out of His control. Let's thank the Lord that He is the One to whom we can always turn no matter what may come our way in this life!

Blessings,
Michael
