LOSTNESS IN OUR COMMUNITIES & TO THE
ENDS OF THE EARTH

Forerunner

"Church Awaken"

Joel 2:12-14

Please be much in prayer about the future of Transylvania Baptist Association. Do we keep the current structure? Do we sell the building and relocate the office to one of our churches? Please be praying about the Administrative Support Team's proposal and make plans to attend these important upcoming events:

Drop-In Question & Answer Session

For all TBA Church Members

Administrative Support Team members and staff will be on hand to answer your questions and provide detailed information about the possible sale of the building, plans for investing the funds, and the future of the association.

Sunday, August 4 - 3-5pm

TERRY'S THOUGHTS

King David, in Psalms 56, shares an amazing passage on trust that I believe should inspire us all to TRUST in Him alone and always. David states, when the Philistines seized him at Gath, "When I am afraid, I will TRUST in you. In God, whose word I praise, in God I TRUST; I WILL NOT BE AFRAID. What can mere mortals do to me?" Obviously, David was placing his well-being in the hands of God to deliver, which He did.

The lesson we can learn from this passage is that regardless of our challenges and as long as we stay focused on His will for our lives, He will deliver us as well for the Glory of God Himself. When we consider the challenges facing us as an association, particularly concerning our budget issues, we are reminded just how much we must TRUST God to guide us to the place He wants and to accept His will as best. With this in mind I wanted to share with you some of the answered prayers that have occurred since we shared, with the association, our situation and laid it in God's hands to handle as He sees fit. The following are a few of the ways, I believe, He is beginning to answer our prayers:

- Some churches have stepped up and have begun to increase their giving to the association.
- Some have and are considering one-time gifts which are over and above their regular support.
- Some churches are asking for help to truly understand the nature of our structure, how we actually operate, and how our actual income streams work. For clarity our **ONLY INCOME STREAM IS FROM THE CHURCHES OF THE TBA!**
- Some churches are encouraging their sister churches to consider similar actions as explained above.
- A member of a senior men's Sunday School class, from one of our member churches, has committed to give an extra \$100.00 a month for our association over and above his regular tithe to his church.

What these examples represent is God moving among us and beginning to answer our prayers concerning what we should do moving forward. **TO HIM BELONGS ALL THE GLORY!!** What the examples of God at work mentioned above truly represent is perhaps God's way of answering some of the questions we all have had about what we should do. Perhaps there are some additional questions we should consider such as are we doing all we can to support our local mission efforts within the association, how much do we actually value our local association and its staff, is our stewardship in line with God's will for our lives along with the life of our church, and is God leading us to consider strengthening our support? The answers to these questions will be realized as we continue to pray for God's wisdom. The larger question concerning the true health of our association has been manifesting itself through the following examples:

- The relationships between our churches and the association are growing stronger every day,
- Our giving has improved,
- Our local and national mission efforts have grown,
- Our dependance on each other has increased, and
- Our training efforts have greatly improved over the last couple of years.

It is my contention God is in fact moving among us, therefore He is not done with the TBA. Meaning there is still much we need to do in terms of leading our county and beyond to a saving knowledge of Jesus Christ. The question I would love for you to answer is whether or not you are willing to join us on our adventure of serving the Lord and our member churches with your support as well as your participation in our association.

Finally, please remember that we love you and consider it our pleasure to serve each church in whatever way needed to advance the cause of the Gospel! Never hesitate to call on me, Nancy, or our leadership when a need arises.

Administrative Support Team Proposal Concerning Budget Shortfall

The Issue Explained: In short, the reality of our budget income receipts versus our budget expenses is that we are running approximately \$6,000.00 short each month and have been throughout 2024. Additionally, this situation has existed throughout 2023 as well. Since the above is reality, we have had to dip into our reserve funds, combined with the giving of our member churches, to meet budget each month. Meaning that if nothing changes, **we will exhaust our reserve funds by January 2025.** Obviously, this is not a sustainable budget model, especially if the association desires to continue with the current structure including the current staffing.

The Cause of Our Current Budget Situation: Since the funding for the association relies solely on the faithful giving of our member churches and since that giving has fallen short each month, we have had to consider the actions explained below. It is important, for our member churches, to understand we receive **NO OTHER INCOME** from any other agency or group outside the faithful giving of the member churches within the Transylvania Baptist Association. Additionally, it is important for the association to know that because of the budget shortfall each month the Administrative Support Team (AST), the leadership of the TBA, and the staff have not been able to spend our current budget as approved by the TBA, but they are finding creative ways to serve our member churches each and every day. As a result of frugal spending practices, sacrificial giving from our member churches, and sacrificial service by staff, leadership, and grateful churches we are remaining afloat, again only by dipping into our reserve funds. Therefore, as stated above, this situation cannot continue without major changes.

One Possible Solution: Since the association has one major asset, the Associational building, and since there is no debt on the building, the AST is proposing the association consider selling our building and use the proceeds to help fund our operations in order to maintain our current structure. What would that mean for the association moving forward and how would the budgeting be affected? The following is an illustration of how selling the building and handling the proceeds from that sale would affect the work and budget of the association:

- Once the sale of the association building is approved *by the association*, it would be placed on the market by a local commercial real estate company. The AST has contacted a commercial real estate company (Beverly-Hanks) and they have done a market analysis on the sale of the building.
- The comprehensive analysis has revealed a recommended listing price of \$750,000.00 given market comparable sales in our area.
- Based on the above listing price and actual possible final selling price it is estimated, after appropriate fees are withheld, the association could receive as much as \$700,000.00. Obviously, this amount could vary depending on the actual sale price.
- Once everything is settled from the sale of the building, we would then set up, possibly through the Baptist Foundation (now called Provision), funds that would allow an amortization of the proceeds in order to sustain our current structure for staffing and ministry for a limited period of time (as little as 5 to 6 years and as much as 10 to 12 years) along with the continued financial support of our member churches.
- Once the building is sold, we would move our office and ministry operations to one of our member churches in order to continue serving the churches of the TBA.

Finally, questions such as how long will this process take or where would the office ultimately be located, will be answered once the association decides what course of action it believes to be best. **There will be a drop-in Question & Answer Session for this issue on Sunday, August 4th, 3pm to 5pm, at the association office. Additionally, we will gather at Calvary Baptist Church on Sunday, August 25th at 4pm to vote on this proposal.**

TO BE CLEAR, ONCE AGAIN, IF NOTHING IS DONE ABOUT THIS BUDGET SITUATION, WE WILL EXHAUST OUR RESERVE FUNDING FOR OUR CURRENT STRUCTURE AND STAFFING BY JANUARY 2025! THEREFORE, WE BELIEVE DRASTIC ACTION, ON OUR PART, IS IN ORDER!

ServeNC is an opportunity for every NC Baptist church to love its community in Jesus' name through service projects.

If your church didn't exist, would your community notice? Whether it's painting a school, cleaning up a yard, or serving meals to those in need, your church knows your community's specific needs and can choose the best project to make a difference through ServeNC.

Commit your church to being on mission together and display the gospel during the week of Aug. 3-10, 2024.

It's been a great VBS summer here in Transylvania County!

Updates from our Northern Tier Pennsylvania Partners:

Summer is here! This is usually the busiest time for church planters. They only have a few months when everyone is outside to evangelize their community, build relationships, and grow their new church. Fall will come, and people will go back inside.

- Brad Bower, Harrisburg biker planter got ordained.
- Yogesh has begun services in a Methodist Church in Harrisburg.
- Bhim has begun services in South Park, and baptized 4.
- Daniel Nauta has begun prayer walking/exegeting the city of Troy.

Please pray for:

- Planters and their families as they are out in their communities building relationships.
- Mission teams who are traveling to Pennsylvania to help these church plants.
- Outreach events such as Backyard Bible Clubs and Sports Camps to build relationships and share the gospel.
- Good follow-up with everyone they meet this summer.
- People they meet will transfer over to Community Bible Studies planned in the fall.
- Bellefonte as Scott and Thea start preparing the way for a church plant.
- Potential areas to start a church - New Berlin, Enola/Carlisle, Annville/Palmyra, Scranton/Stroudsburg, Sayre/Rome, Lancaster/Hanover, Somerset/Maryland border.

Update from Dewey & Kathie Aiken

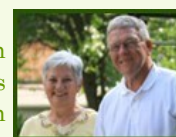

The month of July has been packed with ministry opportunities here in PA and New England. We pray you too have been able to see more of your neighbors and share time outdoors as the hot temps and rain have allowed.

We have been blessed to visit several pastor's families in the Northeast this month to offer encouragement and prayer support. The summer outreaches and baptisms in many areas have been tremendous this year. In other areas, the ground continues hard and dry. Over these towns, we have prayerwalked and encouraged others to do the same. Central Vermont was hit again this year with flood waters one year to the day from last year's devastating flood. Please pray for our Disaster Response workers as they feed, mud out and begin the process in the future of rebuilding around 200 homes that were damaged or destroyed. Pray that Vermonters will desire to know the Creator God personally.... the only One in charge of everything.

One highlight of a recent nine day stay in New England was to prepare and serve an appreciation dinner for the pastors of New Hampshire. This included working with volunteers from NC, VT and NH. It was a blessed time of working alongside long- time friends. There was a lot of laughter mixed with the work. Along with serving a dinner meal, we presented the Baptists on Mission/ New England partnership to our guests, encouraging them to examine ways we can help their churches and communities with volunteers. We also gave gifts that many NC women prepared, led times of sharing joys and challenges as well as praying for each other. Just as in Massachusetts and Vermont in past years, our time with New Hampshire pastors and their wives was a blessed time. Pray that even more will embrace the partnership between our states.

Another part of this month has been visiting NC mission teams that are working with churches in PA and New England. They have done excellent work and have been such encouragement to the churches here. We are praying for even more teams to come help in these areas next year. There will be some large construction projects for teams including three in PA, one in CT and another in VT. Some of this is new construction, some renovation. There will be plenty more outreach projects for children's ministries, prayerwalking and community events. If your church is desiring to help next year with any of these needs, we will have the 2025 projects posted near the end of August and into September. We invite you to visit the baptistsonmission.org web site then and pray for God to lead you. The workers are greatly needed in these ripe fields. You will be blessed for making a difference for the gospel in the Northeast.

Are You Using Commentaries Effectively?

Five factors to consider as you study Scripture with commentaries.

As ministry leaders and Bible teachers, many of us use an assortment of resources to write a good lesson, talk, or sermon. Commentaries are one of the first resources we usually run to as they are available online, on our bookshelves, in our libraries, or on Bible resource software we have access to. But there are some good rules to follow when doing so. Here are five factors to consider as you study Scripture with commentaries:

1. Study Scripture first without your commentary.

Commentaries are helpful resources, no doubt, but unless you try to study Scripture first without your commentary, you won't know how your audience will encounter the passage as they read and study it for themselves, usually without commentaries. Studying the passage first will allow you to see the difficult words or ideas that your audience might encounter. It also will help you be a better studier of the Word as you try to study, making observations about repetitions, parallels, or contrasts in the terms or phrases found in Scripture. Use commentaries to enhance your study, not just as your study.

2. Choose a trusted commentary.

Nowadays, commentaries are abundant, and many are accessible online from ancient ones to new ones written this very year. Be selective by asking those you trust spiritually what commentaries they use and prefer. Some may line up with your spiritual background and others may not. Some may be too antiquated and have old-fashioned points of view on applications. Some may

be self-published and have their own agendas. Use a reputable source that many turn to, especially the other leaders and pastors in your church. Don't just pick a random commentary just because it was free and the first one you found online.

Several ongoing Bible studies from Lifeway offer commentaries as a supplemental resource to the weekly curriculum. Beginning in the fall of 2024, The Gospel Project for Adults will have a commentary available for purchase each quarter. Using commentaries specifically designed as supplements to the Bible study curriculum your church uses is a great place to start when seeking trustworthy commentaries.

As shepherds and teachers, we are studiers of the Word, but we are also studiers of our sheep.

3. Use more than one commentary.

Read more than one commentary when you can to attain varying perspectives or points of view. Some commentaries may have different opinions on a passage or see a different main point, especially with more controversial passages. Some will go deeper on the intricacies of culture or words. While others will go deeper on applications for today. Sometimes we need both, so we need to look at more than one commentary. Using more than one commentary will add to your knowledge-base and help you have a wider perspective to glean from. But don't fall into the trap of wanting to read as many as you can. Time is precious for a ministry leader. If choosing reputable sources, using 2-4 should be sufficient. Don't overwhelm yourself with the plethora of resources out there, but don't be a lazy studier either. Find a good balance for yourself.

4. Gather information from commentaries with discernment, having the freedom to disagree.

Commentaries are just that: commentaries—thoughts from theologians and those who have gone before us with much more time to study the nuances of ancient culture and history and languages. But they are still human and are not all-knowing. Of course, we are not either. Read and gather information with discernment but if many commentators are saying the same thing, usually, it is safe to agree with. But if there are many who have differing opinions, usually on a periphery matter, you are free to mention that there are differing opinions or not focus on that issue if it's not needed. Commentaries are not inspired by God so have room for disagreement. But certainly, they have valuable insight that you can get to quickly to attain an informed understanding of a passage.

5. Let the Holy Spirit guide you as you study and form your lesson or talk.

Above all, let the Holy Spirit guide you as you prayerfully study through the passage you plan to talk or teach on. Commentaries are helpful resources to add to our knowledge base, but they cannot know who our audience is or how best to reach them toward action and transformation. As shepherds and teachers, we are studiers of the Word, but we are also studiers of our sheep, those we disciple. And the Holy Spirit works in us to allow us to reach them with the appropriate style and words and application points to stir their hearts more toward God, His kingdom, and His Word.

2024 Appalachian Christmas Outreach

Appalachian Coalfields Ministry, sponsored by NC Baptists on Mission, seeks to meet the physical and spiritual needs of people living in the Appalachian Area. One of the greatest ministry needs in this area occurs at Christmastime. We are calling on churches statewide to respond to this need through Appalachian Christmas Outreach in 2024.

GOAL and COLLECTION DATE:

The statewide goal is to collect **22,000 backpacks** of items to be distributed to Appalachian children in areas of need in late November and December of 2024. The state-wide collection day for 2024 is **Saturday, November 2** from 9am to noon. Thirty plus collection sites will be set up across the state for churches to bring their backpacks to. Specific sites will be listed on the Baptists On Mission website in September. **We encourage churches to begin collecting and filling the packs early – and throughout the year.**

AGE GROUPING and LABELING

Each backpack should be labeled boy or girl as well as the appropriate age. Age groupings are 4-7, 8-10; 11-14; and 15-17 Due to labels falling off in previous years, we use a ribbon system for labeling the backpacks. A **royal blue** (or similar) ribbon will indicate a **boy's backpack**. A **pink** ribbon will indicate a **girl's backpack**. In addition, a **yellow** ribbon will indicate that the backpack is for **ages 4-7**, a **green** ribbon for **ages 8-10**, a **red** ribbon for **ages 11-14**; and a **white** ribbon for **ages 15-17**.

Please prepare each backpack as you would for your own child or grandchild, with new items, not used. Please include items from each category listed to the right. **Please do not neglect to put in a Bible!** This may be the only Christmas present this child receives, and will be a witness of Christ's love.

ITEMS TO COLLECT

Each zippered backpack should include:

- 1) **ITEMS OF NEW WARM CLOTHING** including a winter cap, gloves, 2-3 socks, and scarf
- 2) **METAL POP-TOP CANS OF FOOD** (3-4 cans) such as ravioli, tuna, beef stew, vegetables, fruit
- 3) At least one or two **NEW, AGE-APPROPRIATE TOYS** Examples: small cars, balls, dolls, small stuffed animals, puzzles, jump rope, sidewalk chalk, Slinky, card games, Legos, other (*no toy weapons, please!*) For older youth category, substitute appropriate item for toy. No pocketknives! (*See website for suggestions*).
- 4) **HYGIENE ITEMS** including toothbrush, soap, washcloth, brush /comb, **full-sized** shampoo toothpaste, deodorant (*please fit these items into a one-gallon Ziploc bag so they will not leak*).
- 5) **FRESH, WRAPPED CANDY** (*no chocolate please, as it may melt – and no peanut products please due to allergies*)
- 6) **A CHILDREN'S or YOUTH BIBLE** (*no particular version is required*) **This is the most important thing that goes into the pack! Please include!**
- 7) **A COPY OF THE CHRISTMAS STORY** (*downloadable and printable pdf found on website*)
