BAPTISTS ON MISSION

East Flat Rock Rebuild Site
Hendersonville, NC
2421 Spartanburg Hwy
828-595-2108

Disaster Rebuild is designed by Baptists on Mission of NC for volunteers to make interior repairs to homes damaged by Hurricane Helene. We also anticipate building new homes to replace those destroyed by the hurricane.

Our services include framing, insulation, sheetrock, wiring, plumbing, HVAC, painting, flooring, cabinetry and roofing. We are unable to assist with driveway repair, grading, excavation or foundation work.

If you know of a family who needs our assistance, please contact us.

Our desire is to serve Christ by serving others.

I will lift up my eyes unto the hills, where does my help come from?
My help comes from the Lord, the Maker of heaven and earth."
Psalm 121:1
